FAMILY PLANNING		
HEART DISEASE/STROKE		
IMMUNIZATION	X	04-15-14 South Conway County School District Vicki Brannon school Nurse letter sent out to parent regarding new immunizations.
INFANT MORTALITY		
INJURY PREVENTION		An All Terrain Vehicle (ATV) safety event was held Thursday April 24 th afternoon in spite of the rain. The purpose of the event was to get young rider fitted to the right size ATV and give them a helmets when they ride.

		<p>The event included safety instructions along with giving them the helmets. Over two hundred helmets were fitted and given to the young people. Last year in Conway County there were 4 deaths from ATV accidents in the county. The event was sponsored XTO Energy a division of Exxon Mobile along with Arkansas Children's Hospital, Arkansas 4H that provided the vehicles for the kids to be fitted on, Kids First, and the Home Town Coalition of Morrilton and Conway County. Representing XTO Energy was Keith Simpson and Mike Todd. Hot Dogs and chips were part of the evening.</p> <p>All Terrain Vehicle (ATV) Safety Event was on 04-24-14. We had 216 people (that we counted), plus a few at the end that didn't sign in I think. I believe they gave out 200 helmets. The weather eventually cooperated and there were lots of happy folks going home with good safety information and new helmets. (Which by the way were awesome!)</p> <p>Now we are working to have a nice Law Enforcement Appreciation Luncheon on Friday, May 2nd. It's been a very busy month for our coalition. We are currently seeking donations and door prizes for the event.</p> <p>Andrea Holland Program Director KIDS FIRST/Morrilton 501-354-1170 hollandandreas@uams.edu</p>

MEETINGS/ TRAININGS ATTENDED THIS MONTH (WHO, WHAT WHEN & WHERE)

NAME	TYPE OF MEETING/ TRAINING
HHI Coalition meeting	<p>Conway County Hometown Healthy Coalition 04-08-14</p> <p>Summer Feeding Program: Pastor Guy Delaney reported he has sent letters to several pastors in the area and there will be a meeting in the next week to discuss how local churches may assist with this with possible volunteers, possible feeding sites, etc. Kim Boren reported she received a call from Jane Adams of Hunger Relief and the SCCSD Superintendent of Schools has decided they cannot house the program this year. It appears the same company that provided meals last year, Dream Team, will do it again this year by delivering prepared meals to designated locations. A suggestion was made that possibly church vans might help transport children to these locations. Jerry Bolin suggested the old Conway Co. Christian clinic could possibly be used as a feeding site. The work to be done includes finding locations for meals near where the most children live and coordinating this with Dream Team. Some people felt there should be some sort of program for the children between breakfast and lunch, but it was agreed this was not part of the feeding program and a much larger project. After a great deal of discussion, a few people felt our coalition was not organized enough to take this on and some felt since our coalition did it last year and we actually have more time to organize this year, that we could help with this project. There was no vote. Raymond stated that the feeding program would happen this year and someone would coordinate it.</p>

PLEASE WRITE A SUMMARY OF ACTIVITIES (WHO, WHAT, WHEN & WHERE) AND INDICATE IF AN OUTREACH FORM WAS SUBMITTED DURING THIS REPORTING PERIOD BESIDE THE APPROPRIATE PUBLIC HEALTH INITIATIVE:

AGING POPULATION		
ALCOHOL & DRUG PREVENTION	X	The coalition received a grant called Partnership for Success Youth Leadership Development. Two coalition members and 5 students attended a 2 ½ day strategic prevention framework and leadership training in Little Rock. These students will be sharing what they learned with the other student members of the coalition. Project Coordinator shared APNA data with the coalition at the monthly meeting.
BREASTFEEDING	X	Local health unit nurse takes pictures of breastfeeding moms and their children and showcases them on a bulletin board in our clinic room. We have monthly breastfeeding support group at Open Arms Pregnancy Center.
CANCER	X	MCHC had a booth at the Race for the Cure
CAR SEAT SAFETY	X	Planning a car seat safety day for May
CHILD/SCHOOL HEALTH		
DIABETES	X	Offered blood sugar testing at our annual Butterball Health Fair
EMERGENCY PREPAREDNESS		
ENVIRONMENTAL HEALTH		
FAMILY PLANNING	X	Promoted LHU FP services at our annual Butterball Health Fair
HEART DISEASE/STROKE	X	Offered cholesterol screening at our annual Butterball Health Fair
IMMUNIZATION	X	Promoted LHU immu services at our annual Butterball Health Fair
INFANT MORTALITY	X	Coalition members hosted a safety baby shower for teen moms in the county.
INJURY PREVENTION	X	Submitted grant to the Statewide Injury Prevention Program. We will receive 206 lifejackets. Coalition members will be trained on water safety and lifejacket fitting. Coalition members will fit pre-K and kindergarten students with lifejackets on May 16 th during the school's 'Fun and Field Day' activities.

NUTRITION		
OBESITY		
ORAL HEALTH	X	Offered free dental screenings at our annual Butterball Health Fair
PHYSICAL ACTIVITY		
STD/AIDS/HIV	X	Rapid HIV testing was offered at our annual Butterball Health Fair
TEEN PREGNANCY	X	Project FOCUS continues to work with our pregnant and parenting teens. We partner with them and give them condoms to distribute at our local high school. They refer teens to us for birth control. Currently sponsoring teen parenting classes.
TOBACCO/SMOKING CESSATION	X	<p>Tobacco Grant Coordinator's Activities for April :</p> <ul style="list-style-type: none"> • April 1st- Operation Storefront Checks • April 2nd- Operation Storefront Checks • April 4th-Coordinator educated Boston Mountain Rural Health about the 2 A's and R which is Ask, Advise and Refer to Quit line for tobacco cessation. Medical providers were educated about the electronic cigarettes and that they are not a safe alternative to quitting tobacco use. • April 7th- The after school program students now called K.A.T. (Kids Against Tobacco), and coordinator educated the community about dangers of tobacco by using the Spin Smart wheel. During this time, 6 participants participated in the use of the CO monitor to detect how much carbon monoxide is in their lungs. • April 9th- Butterball health fair • April 14th- Coordinator was educated about Project X which is a program to help students who are caught using tobacco on school grounds to be educated about the dangers of tobacco and how to quit. • April 16th- Coordinator was invited to present the history of tobacco advertising strategies by Big Tobacco at Springdale Shiloh Museum. • April 21st- Worked with under privileged students during the After School Program • April 22nd-Educated parents about Act 811, secondhand smoke and Third hand smoke (THS) • April 26th- Educated public about spit tobacco during the Arkansas Razorback baseball game and had participants sign MCHC youth members were also busy last month with parent teacher conferences. Students volunteered at the tobacco prevention booth at the Middle School. Combined with the booth at high school, the students were able to gather 23 smoke-free home/car pledges and 3 fax-back referrals. <p>The Butterball Health Fair was a success. For the first time this year, the coalition had Marshallese translators. They translated not only for the coalition's tobacco prevention booth but for other booths as well. They were able to explain the health screenings for the UAMS and MCMG. At the health fair, the boys also gathered 42 smoke-free home/car pledges and 8 fax back referrals.</p>

		Coalition staff member, Brenda Patterson, was presented the “Policy Rock Star of the Year” award from the state Tobacco Prevention and Cessation program for educating the owners of College Heights apartments about the dangers of second hand smoke and third hand smoke residue. Because of this education, College Heights has adopted a tobacco and electronic cigarette free policy for their complex. This is the first apartment complex in Madison County to adopt this policy!
YOUTH OUTREACH		
WORKSITE WELLNESS	X	Sponsored our annual Butterball Health Screening Fair. We offered cholesterol, blood sugar, blood pressure, and Rapid HIV testing. We also offered free dental screenings. We had manned educational booths on breast health, tobacco prevention, family planning, immunizations, WIC, and STD. Over 300 people attended the fair. Most were either Hispanic or Marshallese. We provided Spanish and Marshallese interpreters.
OTHERS:	X	Partnered with 7 Hills Homeless Shelter. Assisted 121 Madison County families with personal care items.

NAME, TITLE, CONTACT	ACTIVITY/ TASK
Shots for Tots Imms. Campaign	Shots for Tots is a network of public and private groups working together to update and educate both parents and providers alike in order to give the highest level of immunizations possible because the most valuable assets are our children. Here in Marion County shots for tots is a joint project between the Yellville Rotary Club, 1 st Federal Bank, and Marion County Health Unit. Its purpose like the many other programs run throughout the US is to address the overwhelming need to inoculate children from infancy to five years. Children are required to be fully immunized when entering school; however, by waiting until they enter school, we leave our children susceptible to vaccine preventable diseases for two to three years.
